PRESS RELEASE DOG UNIT

The working with Service Dogs started in the Department Of Correctional Services in 1970, with the first Dog Handlers being trained by the South African Police Services Dog School.

In the Department of Correctional Services Service Dogs are used in the field of Narcotics detection, explosive detection and general attack work.

Correctional Services has an influx of unauthorised contraband that enters the Correctional centres and the Detection Service Dogs are used to curb this, with tremendous results in these areas.

**Come see our Service Dogs in Action
on the 2nd and 3rd of May 2010 in the
Main Arena!!!!**
