

THE PIETERMARITZBURG CANARY AND CAGE BIRD CLUB.

The Pietermaritzburg Canary and Cage Bird Club is the second oldest bird club in the Republic and the oldest in Kwazulu Natal, having been established in 1912.

The club holds monthly meetings at the Bird Hall, Royal Show Grounds, on the last Wednesday of the month at 19h00.

We have talks on bird-keeping, laws relating to the keeping of indigenous birds and husbandry. This year the club will be holding bird shows at the Bird Hall, Royal Show Grounds, on 25th April 2010, 28-30th May 2010 (Royal Show), and 26-27th June 2010. Visitors are most welcome. Judging takes place on the first day of each show at 09h00 and the hall opens to the public from 12h00.

People interested in joining or knowing more about the club can phone Steve Phillipson on 033-3461726 or 083-6322551.
