### **WESTON TRAINING SHOW**

On the first weekend in May, Weston hosted a show training session where more than fifty learners from Weston, Zakhe Agricultural High School in Baynesfield and James Nxumalo Agricultural High School in Ulundi were given a workshop on how to prepare their steers and themselves for the show-ring. Show-ring etiquette is very exact, and this was an invaluable opportunity for the boys, especially with the Royal Show coming up at the end of this month. The event was attended by the Youth Show Committee of the Royal Show, and was arranged by Weston's Pierre van Rensburg and the Chairman of the KwaZulu-Natal Youth Show Mr George Poole. Many thanks to Mrs Jacquie Webb, Cathy van der Walt and her daughter, the Oldfield family and all the other helpers that assisted. The actual Youth Show takes place on Sunday 30 May at the Royal Showgrounds. Weston College invites all parents and interested people to come and support the boys.
